Call for Exceptional Lovers!

Illustration by: www.razionalefantasia.com

A-whoa there cowboys and cowgirls — we probably aren't talkin' about the kinda love you might have just conjured up in your luscious and creative mind.

To be clear, this is a call to **recognize those everyday people in your life who dish out exceptional amounts of love to the universe.** Might be your Grandma, or your child's kindergarten teacher, or the barista at your local café. These unsung heroes are distinguished by their loving-kindness and unselfish giving, passed out free and in heaping helpings just about every day. Help us to sing their praises!

If you know an exceptional lover, please let us know about them — we want to take their photo in front of a massive 10-foot Love Altar, capture their story, and share it with all the world.

To **nominate your special candidate**, visit <http://wolframalderson.com/love-icon-show/altar/> and fill out the short nomination form.

Wolfram Alderson is an artist and social change agent. His art exhibit, *Love Icon Show*, will premier July 28-30 at Spark Arts (in the Heart of the Castro) in San Francisco.

Celebrating the 50th Anniversary of the Summer of Love, the *Love Icon Show* will feature a series of large illuminated sculpture-paintings and explanatory paintings (based on Wolfram's sci-fi epic, *Pupazzo Universo*), love-centered performances and an all day Love-In.
